

IRENA Pavilion Schedule • 7 - 16 November 2017 (COP23, Bonn Zone, Stand A07)

As of: 8 November

TIME	7 NOV	8 NOV	9 NOV	10 NOV	13 NOV	14 NOV	15 NOV	16 NOV	
09.00					SIDS ENERGY DAY The Sustainable Energy Marketplace 2.0: Enhancing the pipeline of investment ready projects and deal flows for renewable energy <i>IRENA</i>	09:00 – 10:30 The Sustainable Energy Marketplace 2.0: Enhancing the pipeline of investment ready projects and deal flows for renewable energy <i>IRENA</i>			
09.30				10:00 – 10:30 High level remarks <i>IRENA, FIJI, Germany</i>			10:00 – 11:00 Shifting Public Finance: How public finance can support clean energy access at scale and stop funding fossils <i>Christian Aid, Oil Change, CAN-International</i>		
10.00				10:30 – 11:45 Transforming the energy landscape in SIDS <i>Antigua and Barbuda, France Maldives, Marshall Islands, Norway, CARICOM, UN LLCs & SIDS</i>			10:30 – 11:30 Paving the way for low carbon development: How to support decentralized renewables solutions as a key solution for energy access for all by 2030? <i>Hivos – People Unlimited</i>		
10.30									
11.00	11:00 – 12:30 Renewable energy and energy efficiency synergies <i>IRENA, IPEEC, ISI, Ecofys</i>	11:00 – 12:30 Concentrating solar power: Cost reductions and boosting deployment in MENA <i>World Bank, IRENA</i>		11:00 – 12:00 Transformational pathways towards universal energy access <i>SNV Netherlands Development Organisation</i>				11:00 – 12:00 Clean Energy Market Powered by One Platform <i>TWI and IRENA</i>	
11.30									
12.00						12:00 – 13:15 Strengthening resilience to climate change and facilitating implementation of NDCs <i>Antigua and Barbuda, Comoros, FIJI, Germany, Italy, St Vincent, Green Climate Fund</i>	12:00 – 13:00 Supporting renewable energy development in Sub-Saharan Africa <i>IRENA</i>	11:00 – 14:00 UAE youth dialogue: Opportunities and challenges for water desalination <i>Masdar, Global Clean Water Desalination Alliance</i>	12:00 – 13:30 Renewable Energy and Climate Action: Advancing the Implementation and Enhancement of NDCs <i>NDC Partnership, IRENA</i>
12.30				12:00 – 14:00 Global Solar Energy Standardisation Initiative <i>Terra Watt Initiative, IRENA</i>					
13.00									
13.30									
14.00	14:00 – 16:00 Roundtable: bioenergy for sustainable development <i>IEA Bioenergy, FAO, IRENA</i>		13:30 – 15:00 Private sector engagement: best practices in renewable energy development <i>IRENA</i>	14:00 – 15:30 Announcing a new 100% clean, renewable energy scenario <i>Leonardo DiCaprio foundation, University of Technology Sydney, German Aerospace Centre</i>			14:00 – 15:00 Transport, Renewables, and Climate <i>SloCat, IRENA</i>		
14.30		14:30 – 16:00 Djibouti: Renewable energy roadmap <i>Govt of Djibouti</i>			14:15 – 16:45 Supporting energy sector transformation in Small Island Developing States <i>Various Case Studies</i>			14:30 – 16:00 Geothermal energy in the Global Energy Transformation: A Way Forward <i>GGA</i>	
15.00									
15.30						15:30 – 16:30 Market instruments to accelerate the renewable energy transition and deliver impact to the SDGs <i>Gold Standard and CDP</i>	15:30 – 16:30 The role of renewables to meet the 1.5C° temperature target <i>REN 21 and CAN International</i>	16:00 – 17:30 100% Renewable Energy in Tanzania; low-cost option to become a middle income country <i>World Future Council</i>	
16.00	16:00 – 17:30 The beauty of sector coupling: Decarbonising heating and cooling with heat pumps <i>European Heat Pump Association, IRENA</i>			16:00 – 17:30 Maximising socio-economic benefits of a renewables-driven energy transition <i>IRENA</i>					
16.30					16:50 – 17:00 Concluding remarks		16:30 – 18:00 1 st Meeting of the “African Sub-Network of Sustainable Energy Centres” NEXUS Solutions: Improving Livelihoods through regional cooperation <i>UNIDO, Karin Reiss</i>		
17.00						17:30 – 19:00 RE Solutions for REDD+ <i>JIRCAS and GIZ</i>			
17.30									

Please note that pavilion timings are subject to change.
