

**Programme of the Roundtable on “Development of renewable energy in Turkmenistan - dialogue with international partners”**

*Venue: Hotel “Ýyllyz”*

*Date: 01.08.2019*

09.00-09.30	Registration
09.30-09.45	<p><b>Welcoming:</b></p> <ul style="list-style-type: none"> <li>- Deputy Minister of Energy (<i>B. Hudawberdiew</i>)</li> <li>- Representative of IRENA (<i>G. Gonul</i>)</li> </ul>
09.45-10.00	<p><b>Purpose and Programme of the Round Table / Introduction of participants</b></p> <p><i>Moderator: Representative of the Ministry of Energy (A. Mamiev)</i></p>
10.00-11.00	<p><b>Process of Developing a roadmap to 2030 for renewable energy in Turkmenistan</b></p> <p><i>Moderator: Representative of the Ministry of Energy (A. Mamiev)</i></p> <ul style="list-style-type: none"> <li>- The Agency’s international experience in development of roadmaps (representative of IRENA – <i>G. Gonul</i>)</li> <li>- Different methods and frameworks for preparing roadmaps (representative OSCE – <i>N. Komendantova</i>)</li> <li>- Draft roadmap for development of renewable energy in Turkmenistan (Vice-Rector of the State Energy Institute – <i>A. Dzhumayev</i>).</li> </ul>
11.00-11.20	Coffee break
11.20-12.15	<p><b>Preparation of a specialized report on perspectives of development of RE in Turkmenistan</b></p> <p><i>Moderator: Representative of the Ministry of Energy (O. Annagurbanov)</i></p> <ul style="list-style-type: none"> <li>- Methods of preparation and international experience (representative of IRENA – <i>A. Tassymov</i>)</li> <li>- Overview of RE prospects in Turkmenistan (representative of UNDP – <i>A. Saryev</i>)</li> <li>- Evaluation of the potential and possibilities (Director of the Scientific-Production Center for Renewable Energy Power Engineering Institute – <i>K. Saryev</i>)</li> </ul>
12.15-13.00	<p><b>Perspectives of preparation and implementation of RE projects jointly with international organizations and donors</b></p> <p><i>Moderator: Representative of UNDP (R. Nurmukhamedov)</i></p> <ul style="list-style-type: none"> <li>- Development of sustainable cities – <i>Head of project on sustainable cities, UNDP (B. Balyev)</i></li> </ul>

	<ul style="list-style-type: none"> <li>- RE projects at the construction of a settlement near the Turkmen Lake “Altyn Asyr” and the Ashgabat City complex (Chief Engineer of the Institute “Turkmeenergoetaslama” – <i>S. Saparov</i>)</li> </ul>
13.00-14.00	Lunch
14.00-15.30	<p><b>Development of the regulatory frameworks in the field of RE</b>  <i>Moderator: Representative of the Ministry of Energy (O. Annagurbanov)</i></p> <ul style="list-style-type: none"> <li>- Required policy and regulatory conditions and advanced methods of PV deployment – <i>Expert of OSCE (N. Komendantova)</i></li> <li>- Speech by a representative of the Academy of Sciences (N. Seytgeldiyev)</li> </ul>
15.30-16.00	Coffee break
16.00-17.00	<p><b>Capacity building for RE and private sector involvement</b>  <i>Moderator: Representative of OSCE (M. Khodzhammamedova)</i></p> <ul style="list-style-type: none"> <li>- Possible assistance of international organizations in the capacity building for national officials in the field of RE (<i>Representative of Ministry of Education – P. Rasulov</i>)</li> <li>- Questions on training for engineers in the specialty "Non-traditional and renewable energy sources" (<i>Researcher of the Scientific and Production Center for Renewable Energy and Energy Resources of State Energy Institute – A. Matyakubov</i>).</li> <li>- Speech by the representative of the Union of Industrialists and Entrepreneurs of Turkmenistan (<i>K. Akmammedov</i>)</li> </ul>
17.00-17.30	<p><b>Discussion and summary</b>  <i>Moderators: Representatives of Ministry of Energy (A. Mamiev) and IRENA</i></p>
17.30-18.00	<b>Closing</b>
